Blum products and our kitchens...

... Why choose Blum

There are very few moving components within a Kitchen, therefore it makes perfect sense to include the very best fittings to ensure your kitchen operates as well in twenty years time, as it does the day it is installed.

This is why our kitchens offers Blum fittings as an option

Blum are widely regarded as manufacturing the best, most innovative kitchen fittings within the industry. Founded in 1952 in Austria, Blum has grown into a €1.55 billion business trading in more than 120 countries around the world.

Blum fittings are not only meticulously engineered to perfection, they are aesthetically designed to harmonise with our furniture.

Why we use Blum... We use Blum hinges, drawer boxes and lifting mechanisms quite simply, because they are, in our opinion, the very best money can buy and harmonise perfectly within our kitchens.

Blum are masters of engineering, to such an extent that their products are ultra-reliable, hence the lifetime warranty they place upon their fittings.

What more can you demand from a product?

**“Reliability,
Strength,
Longevity
and Sleek Design”.**
Blum has it all!

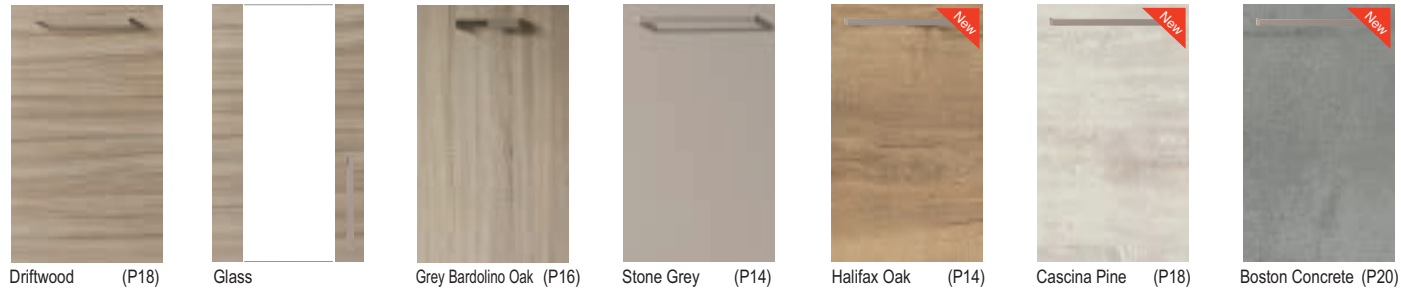

Blum Lifetime Guarantee

Such is Blum's confidence with their manufacturing excellence, in the unlikely event of any defect occurring within a Blum fitting, they will replace it free of charge, regardless of its age.

Tempo Linea Driftwood with Image Linea Grey Mist Gloss

As the name suggests, Driftwood is heavily structured, as if worn by nature's oceans. The wild grain pattern, combined with deep texture and grey tones combine superbly well with the contrast of the calm Image Linea Grey Mist Gloss. The mixing of the gloss unicolour, matt texture and timber finish is on trend and will remain so, for many years to come. Featured is the Linea top fix pull handle adding to the overall visual appeal.

LOOK & FEEL REAL

This year's trends see surfaces go natural, from rustic timber designs entwined with knots to characterful stone designs enriched with intricate detail. Our worktop range boasts many of the best 'natural' designs brought to life by realistic surface textures.

ACCESSORIZE THE LOOK

Co-ordinating splashbacks & upstands are an effective way to complete and enhance your kitchen design. They also remove the need of tiles saving you installation and maintenance time and money.

SUPERIOR PERFORMANCE

For high volume traffic kitchens the durability of a worktop is key, for this reason we have launched a range of Aeon technology **enhanced performance laminate worktops**. With **3-5X more wear, scuff and scratch resistance** than a standard laminate combined with **improved clarity, colour and fidelity**, you can count on these surfaces to look newer, longer.
